About our Conductor

Cory Pederson has been the principal conductor of the Columbia River Symphony for the last 15 years. The husband/wife team of Angela Pederson-Calvin and Cory Pederson co-founded the symphony in 2007 and shared conducting duties for the first two years.

Currently, Cory is in his 18th year in the Jewell School District, located in the Coast Range east of Seaside on Hwy 103. He has taught general music to Kindergarten through 4th grade for 15 years, and concert band for 5th -12th grades for 16 years. His high school ensembles have received multiple awards in the Oregon State Band competitions. Cory has worked with multiple schools and community ensembles for over 16 years. He is now in his third year as the Superintendent for the Jewell School District. Currently Cory conducts three ensembles outside of his main job. For the past eleven years, Cory has been the conductor of the Little Ballet Theater Orchestra which performs live music for the Astoria Nutcracker Ballet performance each year in Astoria Oregon. He is also the conductor for the North Oregon Coast Symphony (11th year) based in Seaside, Oregon titled, the North Oregon Coast Symphony.

As a trumpet player, Cory has also performed with the Vancouver Symphony and the IWASH (Idaho-Washington) Symphony. Locally, he has performed with the North Coast Big Band, North Oregon Coast Symphonic Band, Astoria Chamber Players and the North Oregon Coast Symphony.

Support the music in your community!

The Columbia River Symphony is an all-volunteer, nonprofit performing arts group. Our mission is to increase the musical talents of our performers, serve a leadership role in the community, and promote cultural enrichment for the artistic and musical benefit of all involved.

All proceeds from supporter contributions and merchandise

purchases assists our organization in keeping our musical family – musicians and the community – connected. Funds are used to cover the expenses associated with providing FREE performances for our community and sharing the joys of playing music together!

Some of the expenses include, but are not limited to the following: helping to fund our next concert; rent a moving vehicle for transporting percussion equipment; printing concert flyers & programs; supplying musicians with sheet music; providing a music folder and pencils; purchasing sheet music; venue rental costs for rehearsals and performance venues, and much more. Donations are accepted at the concert in the lobby; and by snail mail (PO Box 122 Astoria, OR 97103), and via our website at: www.columbiariversymphony.org/support-us

Thank you for supporting our community symphony!
